

EDUCATION

What is the right solution?

Think of universities and schools, but also a small kindergarten. From the staff room to the cafeteria to conferences held on campus, coffee is always an important factor in the smooth running of your educational facility. We offer a fantastic quality cup of fresh brewed coffee at the touch of a button. Suitable for all members of your community and its visitors. The many coffee varieties can be served at high speed, whether service or self-service.
